

**Salem Township Board of Trustees  
Notice of Public Hearing**

**PROPOSED SPECIAL ASSESSMENT DISTRICT  
FIVE MILE ROAD**

The Salem Township Board of Trustees will hold a public hearing at Salem Township Hall at 9600 Six Mile Road, Salem, MI 48168 at its regularly scheduled Board meeting at 7:00 PM on October 9, 2018, regarding its tentative intention to designate a special assessment district to assess the cost of paving and improvements to Five Mile Road (between Chubb Road and Napier Road) in Salem Township.

The purpose of the Public Hearing is for the Township Board to hear statements and objections to the Township Board's intent to proceed with the project and special assessment, to the project itself, including the cost estimate, and to the District proposed as the special assessment district.

Plans describing the improvement and the location of the improvement with an estimate of the cost are available for review at the office of the Salem Township Clerk. Periodic redeterminations of cost may be necessary without a change in the special assessment district and may be made without further notice.

Salem Township tentatively designates that the special assessment district, against which the costs of the improvements will be assessed, will include all the parcels with frontage along Five Mile Road (between Chubb Road and Napier Road) those being parcels being numbered:

A -01-24-200-003 PHILIPPINE GOLF TOUR CORPORATION

Appearance and objection at the hearing in the special assessment proceedings is required in order to appeal the amount of the special assessment to the State Tax Tribunal. An owner or party in interest, or his or her agent, may appear in person at the hearing to protest the special assessment or by filing a written appearance or objection by mail before the hearing.

Individuals with disabilities requiring auxiliary aids or services should contact the Salem Township Clerk at least 5 days before the hearing by writing the Township Clerk at the address above or by calling (248) 349-1690, Ext 9.
